

REMARKS

The Office Action mailed February 16, 2005 has been received and reviewed by Applicant. The Examiner stated that Applicant was required to elect one or two of the species of the claimed invention. Accordingly, Applicant elects Species I illustrated in Figures 2-7. Accordingly, Applicant has, by this Amendment, withdrawn claims 17-22, 42-48, 50, 52, 55 and 56 from consideration. Applicant submits that independent claims 1, 29 and 62 are generic to the two species. Accordingly, Applicant requests that the withdrawn claims be considered and indicated allowable upon the allowance of one or more of the generic independent claims.

Respectfully submitted,
